

Remarks

Reconsideration and further examination of the above-identified patent application in light of the present Amendment, Reply, and Remarks is respectfully requested.

A Petition for an extension of time is enclosed along with the required extension fee.

Authorization is hereby given to charge any deficiency in fees or any other fees in connection with the above-identified patent application to our Deposit Account No. 23-0920.

Claims 1- 23 were pending prior to this Amendment.

Claims 15-18 have be amended to comply with 37 CFR 1.75(c) and MPEP § 608.01(n) and avoid improper form because of multiple dependent claim 15.

Claim 3 has been amended to recite the full name of the abbreviations as per the Examiner's requests.

Claims 20-22 have be amended as a process claim to comply with 35 USC 101 and to claim a new use of a process, composition of matter or material as provided under 35 USC 100(b).

The matters objected to in claims 1-23 have been corrected or cancelled as per the Examiner's requests in order to make the claims more definite and clear and better comply with 35 USC 112.

The undersigned attorney thanks the Examiner for pointing out these errors so that they can be corrected. The errors were made through inadvertence and mistake without intent to deceive.

Claims 1-23 are presently pending for the consideration of the Examiner.

Inasmuch as the preceding amendment complies with the Examiner's requests and cures the Examiner's objections, it is respectfully submitted that the above-identified application is now in condition for allowance. A Notice of Allowance is respectfully requested.

The Examiner is invited and encouraged to contact the undersigned attorney in order to expedite this application to allowance, if the preceding does not already place the above-identified application in condition for allowance.

Respectfully submitted,
